#### CITIZEN COMPLAINT PROCEDURE AND FORMS

#### Dear Citizen:

The public's trust, confidence, and support are vital to successful police service. The public is entitled to have ready access to the police administration that is sworn to serve them. This access will help promote public understanding and acceptance of police procedures, and aid in the detection or correction of improper or undesirable practices.

The Bushkill Township Police Department has adopted a policy that provides a fair, orderly, and uniformly applied process for receiving, investigating, and resolving complaints of alleged police misconduct.

Complaints against Bushkill Township Police Department employees may be filed by contacting a police department supervisor and giving all details regarding the incident. The complaint will be promptly forwarded to the Chief of Police to review and assignment for investigation.

When the complaint investigation is completed, the Chief of Police will review the case and determine a course of action. You will receive a response by phone, mail, or in person regarding the disposition of the investigation.
