Fingerprint Request Form

Officers from the Bushkill Township Police Department are available to do non-criminal fingerprinting for residents and non-residents. The service of fingerprinting is usually needed for purposes such as employment and securities applications.

Persons must provide their own fingerprint cards and valid photo identification at time of fingerprinting. A photocopy of the applicants fingerprints will be filed with this service report for verification/reference purposes only.

Bushkill Township Residents: There is a \$15 fee for the first two fingerprint cards and \$5.00 for each fingerprint card thereafter for the service of fingerprinting.

Non -Residents: There is a \$25 fee for the first two fingerprint cards and \$5.00 for each fingerprint card thereafter for the service of fingerprinting.
