

Handicapped Hunter Access Guidelines

- Handicapped Hunters are directed to contact Bushkill Township if they would like to obtain permission to hunt Township properties enrolled in the Hunter Access Program.
- Handicapped Hunters must obtain a disabled permit or handicapped permit from the Pennsylvania Game Commission to use an ATV/UTV or other mode to access Bushkill Township property.

Trapping Guidelines on Hunter Access Properties

- Bushkill Township will do a lottery drawing for a trapping permit if it is determined that trapping is necessary to control an overpopulation of animals on Bushkill Township's Hunter Access Properties.
- Number of permits awarded will be determined based on the need of population control on Township Properties.
- If it is determined necessary, applicants will be informed at time of application of the opportunity to apply for trapping permit during that year.
- Properties that trapping will be allowed on will be specified at time of application and when permit/permits are awarded.
- Trapping must follow Pennsylvania Game Commission Laws.
- No Body Grip/Conibear traps may be used.
- Foot traps with a jaw spread greater than 6 ½ inches may not be used.
